

CONTENTS

| | Page |
|--|------|
| The Utility of an Information Processing Approach in Speech and Language Evaluations. K.Y. Haaland | 1 |
| Assessing the Assessments: The Adequacy of Standardized Tests of Aphasia. C.W. Linebaugh | 8 |
| The Differential Diagnosis of Aphasia. F.L. Darley | 23 |
| Right Hemisphere PICA Percentiles: Some Speculations About Aphasia. J.L. Deal, L. Deal, R.T. Wertz, K. Kitselman, C. Dwyer | 30 |
| Profiles of Communication Deficits in Patients With Right Cerebral Hemisphere Damage. P.S. Myers | 38 |
| Auditory Processing Deficits In Aphasia Evidenced on the Revised Token Test. M.R. McNeil, C.F. Hageman | 47 |
| Epileptogenic Aphasia. C.W. Linebaugh, A.S. Coakley, A.F. Arrigan, A. Racy | 70 |
| Recovery from Aphasia and Nonverbal Impairment in Stroke. A. Kertesz . | 79 |
| Prognosis: Summary and Remarks. J. Aten | 90 |
| Statistical Prediction of Change in Aphasia: Clinical Application of Multiple Regression Analysis. L. Deal, J.L. Deal, R.T. Wertz, K. Kitselman, C. Dwyer | 95 |
| Evaluation of Learning Potential of a Severe Aphasic Adult Through Analysis of Five Performance Variables. J. Horner, L. LaPointe . . | 101 |
| A Scale for Rating Clinician, Patient, and Session Characteristics In Aphasia Treatment Sessions. R.H. Brookshire, L.E. Nicholas . . | 115 |
| Can the Clinical Interaction Analysis System Describe PACE Therapy? A.D. Haire, G.A. Davis | 124 |
| An Analysis of How Clinicians Respond to Unacceptable Patient Responses In Aphasia Treatment Sessions. L.E. Nicholas, R.H. Brookshire . . | 131 |
| Scheduling Speech and Language Services for Aphasic Individuals. C.A. Tompkins, R.C. Marshall, D.S. Phillips, L.C. Golper, and M.T. Rau | 139 |
| Speech and Language Services for Severely Aphasic Patients: Some Professional Considerations. R.C. Marshall, C.A. Tompkins, M.T. Rau, D.S. Phillips, L.C. Golper | 141 |
| Treatment: Introductory Remarks. R.L. Warren | 151 |
| Levels of Reference for Aphasia Therapy. A.D. Martin | 154 |
| Wrinkled Feet. J. Rosenbek | 163 |

| | |
|--|-----|
| Verbal Performance in Aphasic Patients in Response to Intact and Altered Pictorial Stimuli. M.M. Faber, J.L. Aten | 177 |
| A Comparison of Verbal, Pantomime, and Combined Instruction Modes With Severely Aphasic Individuals. K.M. Yorkston, D.R. Beukelman, P.F. Waugh | 187 |
| A Step-Wise Auditory Comprehension Improvement Program Administered to Aphasic Patients by Family Members. C.R. Flowers, L.C. Danforth | 196 |
| Treatment of Auditory Comprehension Deficits in Acute and Chronic Aphasic Adults by Manipulating Within-Message Pause Duration. A.P. Salvatore, K.D. Davis | 203 |
| A Study of Sentence Comprehension of Aphasic Subjects. R.S. Pierce . | 213 |
| Effects of Diotic Intensity Variations on Auditory Processing in Aphasia. M.R. McNeil, F.L. Darley, D.E. Rose, W.O. Olsen | 227 |
| Effects of Selective Binaural Intensity Variations on Auditory Processing in Aphasia. M.R. McNeil, F.L. Darley, D.E. Rose, W.O. Olsen | 228 |
| Applications of Verbing Strategies to Aphasia Treatment. F.L. Loverso, M. Selinger, T.E. Prescott | 229 |
| Case Relations in Broca's Aphasia: Some Considerations Regarding Treatment. J.D. Tonkovich | 239 |
| Word Association and the Anomic Response: Analysis and Treatment. R.D. Logue, M.M. Dixon | 248 |
| Abnormal Syntactic Compensations Utilized by a Patient With Chronic Broca's Aphasia: Implications for Treatment. C.R. Hand, J.D. Tonkovich, J. Aitchison | 261 |
| A Study of the Interdependence of Word Retrieval and Repetition in Conduction Aphasia. S.B. Sanders, G.A. Davis, V. Hubler | 270 |
| Use of Symbolic Gestures in a Case of Fluent Aphasia. N.N. Simmons, A. Zorthian | 278 |
| Melodic Intonation Therapy: Rewriting the Song. M.J. Dunham, M. Newhoff | 286 |
| <u>Round Table Discussions</u> | |
| The Aphasic's Significant Other: Training and Counseling. C.L. Florance | 295 |
| Treatment of Aphasia with Coexisting Apraxia. R.L. Keith | 300 |

| | |
|--|-----|
| Specialized Training for the Student Intern. C.A. Lewis | 309 |
| Other Uses of Single-Case Designs. J. Rosenbek, B. Becher, A. Shaughnessy, M. Collins | 311 |
| Application of Linguistics to Treatment of Aphasia. H.K. Ulatowska | 317 |
