

#### ANNOUNCEMENT

The twelfth annual Clinical Aphasiology Conference will be held June 6 through June 10, 1982, at the Pioneer Inn, Oshkosh, Wisconsin. As in the past, attendance will be by invitation, and invitation depends upon acceptance of a proposed presentation. Proposals submitted will be read without knowledge of authorship by four readers who constitute the program committee. The readers will rank order and rate the submissions in terms of their scientific and clinical merit, generality, potential for stimulating useful discussion, and appropriateness for a conference devoted to the clinical management of persons with aphasia. Papers presented at the conference are eligible for inclusion in the Conference Proceedings.

Deadline for submission of proposals is January 15, 1982.

To obtain an application and instructions, write to Frederic L. Darley, Section of Speech Pathology, Mayo Clinic, Rochester, Minnesota 55901.
